Do you ever wonder if "this is all there is?"

TREAT yourself to an amazing, engaging dolphin adventure, customized on the spot to support you right where you are, and propel you to where you want to be

INVEST in your most valuable resource ~ **YOU**

IMMERSE in nature and learn from her timeless truths

ENGAGE your mind, body and spirit in an adventure of a lifetime with a bounty of benefits

EXPERIENCE memories and relationships that will last a lifetime

Identifying your passion is your gift to yourself, pursuing it is your gift to the world.

The combination is a cornerstone and a catalyst to living a happy, healthy, satisfying, successful life.

Your partners in pursuit of passion:

MISSY (GAIL) OSTRISHKO is a creative catalyst, committed to bringing out the best in individuals and organizations. She combines over 3 decades of experience as a facilitator, counselor, speaker, author and coach to customize learning adventures on the spot that illuminate insight and inspire effective action. She brings learning to life by unearthing intuitive wisdom and teaching you to do the same for yourself.

CAPTAIN VICTORIA IMPALLOMENI is a teacher of Environmental Marine Science on and in the waters of Wildlife Refuges surrounding Key West, Fl. for the last 39 years. Capt. Victoria is known as the "vicatania" of the backcountry. Her interspecies communication with wildlife is mystical. Mother Earth Spirituality is her path as she connects the dots to activate your creativity, intuition and action. Experience the alchemy of transforming your life experience into wisdom that can heal yourself and others. Victoria has been guiding folks to higher consciousness through informing, however her true gift is her ability to inspire.
